About Us

Treeline is a boutique provider of tailor made services in Business Process Outsourcing (BPO), Knowledge Process Outsourcing (KPO), Recruitment Process Outsourcing (RPO), IT Outsourcing (ITO) and Consulting Practices. Based out of India and Saudi Arabia, Treeline serves wide range of clients throughout India, US, GCC and Africa spanning across various industries.

Treeline was conceptualized as a captive back office supporting its parent company Jarir Investment's Asset Management Program. Over a period of time, Treeline has successfully built in-house expertise and professional capability to handle diverse business needs of various clients. Our clients value our commitment to deliver high quality work with quick turnaround and strict confidentiality. There has been significant thrust along with Management's thoughtful strategic guidance toward continuous value creation for our clients. We believe in doing what is right for our clients business in the long run.

Why Use Treeline?

Our deep pool of knowledge and wealth of experience in business, strategy, compliance and risk

Independence and diligence in handling the assignment without any bias or favour

Transparency and avoidance of potential conflict of interest issues

One stop shop that includes value added services such as research support, secretarial and accounting
